Matt Criddle - 306-539-6934

Special Representative

Bob Toner - 306-834-7385

Gate Guarantee

If you are not able to attend our sale but are interested in our bulls, we can facilitate your order. Call to discuss your cow herd, your program and your specifications. We will select a bull that meets your requirements/specifications. The bull delivered to your gate is "satisfaction guaranteed" or we take him home - no hassle. You may also rely upon the sale representatives to bid and act on your behalf in a confidential manner.

Semen Tests & Measurements

All bulls in the sale have passed a semen test and breeding soundness evaluation by a licensed veterinarian and have been issued a Semen Evaluation Certificate. Scrotal measurement & weight information will be available sale day.

Board and Pick Up Program

We will keep your bulls and look after them for you up to a maximum of 30 days at no cost to you. You will be responsible for picking up the bull(s) any time prior to, but no later than May 1, 2019. Insurance protection is mandatory for this option. After May 1, a feed charge of \$2.00/day will apply.

Insurance

Insurance will be available sale day.

Larry Toner: cell 306-834-7652. All bulls returning to Merit after sale MUST be insured to protect your investment.

INSURANCE IS MANDATORY!

Larry provides various packages to suit your needs.

Delivery

Free delivery will be provided up to 200 miles on purchases totalling \$3500.00 or more. Purchases less than \$3500.00 will be delivered at cost. We will deduct \$50.00 from the purchase price if you trailer them directly from the sale.

Welcome to our annual Cockburn/ Merit bull sale. We would like to thank our 2019 buyers and bidders; your support is greatly appreciated.

Our bulls are developed with longevity in mind. They are fed to meet their potential to emphasize on muscle development, not to over fatten and jeopardize their longevity and fertility. The bulls will all be fertility tested and guaranteed breeders. We truly feel the consistency and quality in this years pen is our best yet. Calving ease bulls that still possess dimension and growth and power bulls with extra shape and performance.

We make our living Solely from our cattle. We have built around strong cow families emphasizing on sound feet and legs, thick easy doing cattle with good udders, and herd sires with muscle, performance and do ability as well as calving ease. Our purebred cows are run on native grass along side our commercial cows with no special pampering or creep feed. We believe our cattle should work harder than we do, and we cull strictly to ensure we stay on track.

We invite you to join us March 30th at Johnstone Auction Mart in Moose Jaw, come presale for lunch, refreshments and to view the bulls. If you are unable to attend the sale, please feel free to contact myself or any of the sale staff to help you with your order. We will be sure to find a bull to suit your needs and we guarantee your satisfaction. For any questions or to tour the bull pen or cow herd feel free to call. I look forward to visiting with you.

Welcome to
-MERIT
CATTLE CO.

-M-

grassroots - family - passion - program

MERIT CATTLE CO.

Welcome

Once again, we want to start out by saying **THANK YOU** to our customers! We are grateful to all of you! The people in this industry are what truly make the business gratifying.

Time sure does fly by, hard to believe this is our 27th bull sale!

Our kids have all graduated high school and are pursuing their dreams. Macy is in her fourth year at UBC Vancouver, College of Commerce/ Sauder School of Business. Garrett is in Hutchinson Community College in Kansas studying Agriculture and is on the livestock judging team. Carson is attending Olds College taking his Ag/Heavy duty mechanics. Life is sure different around here with them away at school.

The basics of cattle breeding are the fundamental building blocks of a successful program. It starts with vigorous, unassisted born calves, out of mothers that are feminine, hardy, sound structured and minded, efficient, fertile and motherly with quality udders, and sired by bulls that are masculine, athletic, fertile, sound, with good performance. Merit bulls are bred to be **better at the basics**.

The bulls are managed for optimum growth and soundness. They are highly exercised and athletic as the field they are housed in from weaning to sale time is set up for maximum exercise.

Merit bulls will sire Angus steers with length, growth, hair and yield that the order buyers and feedlots are looking for and replacement females that will make fertile and functional mother cows. **We breed these bulls with your success in mind!** It has been highly gratifying to watch our customers sell market topping cattle or get a text saying that their Merit sired calves are their heaviest group at weaning.

We have always believed and selected for balanced multiple traits and not single trait selection or number chasing. There are bulls to fit everyone's needs and budget, from heifer bulls to power bulls all backed by ideal maternal traits and characteristics.

Lastly but most importantly, **lets all make it a priority to educate and connect with our consumers that we are raising a high quality, healthy and safe product!**

Call, text or email with any questions you might have. If you have the time to come tour the bulls and the cow herd before the sale, we would love to have you.

Trent, Janelle, Macy, Garrett and Carson

"Time is free
but its priceless,
You can't own it,
but you can use it.
You can't keep it
but you can spend it.
Once you've lost it you
can never get it back."
Harvey McKay

Calving Ease Score ★★

North Perth Barbara 507 -
Dam of Merit Paycheque 9002G

- We wanted an exceptionally high-quality female to add to our donor program and Barbara 507 was just the female to add.
- She is beautiful!
- Ultra -feminine, with a perfect udder, sound in her structure, good footed with a gentle disposition.
- She was not purchased for the purpose of chasing banners as that is not what we are about.
- We decided to show the pair to showcase our new foundation piece and let everyone admire her for themselves. They had an incredible fall to say the least.

PAYCHEQUE IS A STUD!

- I don't think we have raised a bull here with such incredible length or depth of body.
- He possesses masculine Angus character and has had high libido since he was six months old.
- Moderate birth weight with performance to burn and super easy fleshing.
- He possesses so many positive traits that we will be adding him to the Merit program.
- He will sire sons that will make those long bodied steers that command top dollar and females that will add fleshing ability and femininity with beautiful udders.

**HERE'S AN OPPORTUNITY TO INCREASE
YOUR PAYCHEQUE**

2019 Show Female of the Year!

- Barbara & Paycheque -
What a TEAM!

MERIT CATTLE

Calving Ease ... It's a priority

Vigorous calves born unassisted IS calving ease.

Merit has always prioritized unassisted born calves that are up in minutes looking to nurse their mothers.

When weather conditions are tough it's the calves born with more critical mass that get up and going the fastest.

Calving Ease Scores

To help you select the best bull for your operation, all bulls have been rated with the following system.

Recommended for cows only ★

Recommended for cows or larger framed heifers that were not big at birth. ★ ★

Recommended for Heifers ★ ★ ★

The criteria used to evaluate the bulls:

1. Actual birth weight
2. Consistency of birth weight sire's calves as a group
3. Consistency of birth weight of dam's calves

- Keep in mind that 50% of your calf's genetic birth weight relates back to his mother's birth weight.
- Environment including feed, weather and confinement also affect birth weights.
- Remember that birth weight and GROWTH are directly related.
- Continual selection for low birth weights will eventually decrease pelvic size and maternal calving ability.

Merit Vaccination Protocol

Calves are vaccinated at a week of age with Inforce and Once. They receive Vista Once and Vision 7 Somnus at turnout and again at weaning. They are treated with Cyence twice pre-weaning and with Ivermectin and Safe Guard in December then Cyence again in January.

- This wide and long topped Unit son is a low birth bull out of a first calf heifer that we recommend for use on cows or larger British heifers.
- You really have to appreciate his birth to yearling spread.
- Cast Iron daughters have great udders.
- Both Unit and Cast Iron progeny have high foot quality.

Calving Ease Score ★★ ★

- Attractive in his design, 9021 is definitely a heifer bull feature!
- His lineage of low birth and calving ease combined with exceptional performance is a winning combination.
- He boasts a 106 WWR and 107 YWR and moves out on sound feet and legs.
- His Unit 2-year-old mother has a balanced, tidy udder with well placed small teats.
- Unit has not only sired calving ease with lower birthweights but also passes along excellent hoof structure.
- His sire Wisconsin is also a calving ease sire with loads of shape, fleshing ability, sound structure and a gentle disposition.

Calving Ease Code ★

- We really love the overall design, balance, character and structure of Divergent.
- He's been a favorite since birth.
- He's moderate for birth with a 107WWR.
- The Jilt cow family here has always been highly maternal, with quality udders, lots of body and average mature size.
- Jilt 2023 has earned Premier CAA status and left us with some beautiful, productive daughters.
- There is a strong maternal heritage here and his mother is no exception.
- She has a beautiful udder and is an easy fleshing functional female with no holes.
- When Trent saw her sire, MAR Innovation he was impressed with the bull's muscle and awesome foot.
- The KR Little Joe bull was our pick of Krebs Denver Reserve Champion carload. He really stamped his calves and they are a uniform sire group.
- We are retaining another son, Sam Elliot 9144 as we lost Joe this winter.
- Merit Divergent 9024 should sire you an exceptional group of daughters to build a program around.

- There are so many good things about this bull.
- His low birth weight combined with an 824lb 205 day weight and 115 WWR is impressive to say the least.
- His sire Gibson Creek was the high selling bull in our 2018 sale to South View Ranch.
- We really like the "Gibby" calves and have another crop on the ground this year.
- 9034's mother is flat out awesome! She's a growthier Range Boss daughter with a perfect udder.
- Both "Gibby" and 7078 have gentle dispositions which they have passed along to 9034 which made picturing him a challenge.

REAL WORLD

No frills, functional females with the utmost attention paid to structure, do-ability, udders, disposition, fertility and the ability to raise a quality calf.

They graze all summer and in late fall they are then fed quality hay with protein/mineral tubs on a half section until late January. They are not supplemented with grain, swath grazing annual cereals or "roughing it" grazing corn. We manage them this way so we know that our genetics will work under our customers' management.

Our goal is to produce the best Merit Mommas possible for our environment and market. The Angus cow is still the best mother cow in the world.

- Great hair, length of body, 107 YWR and a big ole hip in this fella.
- He has the quiet "Gibby" demeanor.
- Maternal longevity built in as his dam, granddam and 14 year -old great granddam are still in production.

9047

As a result of bylaw changes within the Canadian Angus Association, Merit will be retaining a "NON revenue" sharing interest in every bull we sell. This allows Merit to collect semen on any Merit bull in the offering for in herd use only. This will be done at Merit's expense and the new owner's convenience. This is the same as in past sales but the change now means that 'Merit' will remain on the registration paper as an owner in order to satisfy association rules. This will apply to all bulls unless other terms are announced sale day.

Calving Ease Score

- Here's a smooth, long and attractive Apollo son.
- He's super correct in his structure and carries himself well with a 104YWR.
- Not only will he sire you a good group of steers but will also leave you a set of replacement females to build off of.
- KR Apollo 6458 is in the top 1% of the breed for milk with beautiful, functional udders that look to be made to last and the females don't look harsh or Holstein.

Quality

"Quality is the only trait you can never have too much of. You can't measure quality with a scale, a ruler or an EPD...it can only be measured by the eyes of a true stockman. Quality is the leading factor that determines the premiums that buyers will bid. Buyers measure quality based on the amount of thickness, length, depth, style and eye appeal they see in a set of cattle."
Gib Yardley

- There's tons to appreciate in Joe, we think highly of this bull.
- He puts it all together in an appealing package.
- He's not extreme in anyway, he's no ordinary Joe though, he's just good!
- Joe has a masculine head with character, strong top, big hip, sound structure, good footed and good natured.
- Take note of the cow family here...Socialite strikes again.
- His dam is a maternal sister to Sting's mother. He's definitely a sale highlight with an outcross pedigree.

9116

STING

MERIT STING 7047 sold as a calf at Agribition Masterpiece sale commanding 52,000 for ½ interest to Double F Cattle Co. Sting has had an extremely successful show career at side of his mother, as a yearling and 2-year-old. More importantly is the impact he is making as a herd sire. ***Sting is in the top 2 % of breed for weaning weight and top 8% for yearling. He was only one of three Canadian bred sires in the CAA top 20 registry. Sting calves are born with loads of vigor, length and hair. His sons will produce steers that command top dollar.***

Calving Ease Score ★

- Heavy weaning calves is what 9123 should sire as he himself possesses performance.
- He's a good looking bull with an 860lb 205 day weight and a 115 WWR!
- His mother is the right kind, sound made, feminine with lots of volume and a great udder.

Calving Score Ease ★

- 9126 is more moderate in his type for a Sting.
- He has a great look about him, he's smooth made from nose to tail.
- He has ample hip, with a wide pin set and his tail head is laid in correctly.
- We really need to start picturing more females as his mother is a definite selling feature.
- She's moderate, tanky, and easy fleshing with a beautiful udder.
- If your calves are getting too narrow, 9126 will add the dimension you are looking for as well as leave a real nice set of replacements.

Calving Ease Score ★★

- This Gibson Creek son is stout, soggy and sound.
- He possesses length as well as thickness with a great coat of hair. 9128 has an 815lb 205 weight ratioing 111 and a yearling ratio of 103.
- His picture doesn't do him justice as he's so quiet nothing from duck call, harmonica, umbrellas, cats or acting crazy could get his attention.
- The Flora cow family has a bright future and is going to give the Socialites a run for their money.
- His mother's udder is square and level with refined teats.
- High udder quality should be a lock on top and bottom of his pedigree.

- Another Joe with a great look, lots of hip with impressive performance!
- A 205 weight of 829 is something to brag about among his contemporaries along with a 112 WWR.
- His young mother is the dam of Merit McLaren who's sons will be highlights in next springs bull sales for us, Duralta Farms Inc and South View Ranch.
- His 2020 maternal brother has the look now to be a feature next year.

- Laramie really stamps his progeny, no wonder why the cowboys liked them over at Eastondale.
- 9160 possesses the typical Laramie look with the thick top, long spine, and exceptional hair.
- 9160 excels in the performance department and has the #1 yearling index in the group at 125 and weaning ratio of 104.
- His Range Boss dam is a beautiful female with other noted female producers like Fortunate Son and OCC Magnum in her lineage.

Calving Ease Score

- 9174 is his name and pounding the scale is his game.
- He is a performance packed stud. This April born Momentous son will grab your attention in the flesh and with his stats.
- Moderate birth weight and boasts an 859 lb 205 weight, 117 WWR, 1516 yearling weight and 118 YWR.
- His sire Momentous aka "Mo" is as impressive in person as his photo.
- "Mo" is a meat machine with an impeccable foot out of a top producing female at Glasman Farms.
- 9174's performance is no fluke as his mother has produced two other standout sons, averaging 839lbs for 205 with 114 WWR and 1468lbs for yearling at a 108 YWR.
- She's a power cow, with a big top, good foot and a balanced quality udder.
- 9174's maternal brother is a herd sire for Kevin Anderson's Four Bar X operation.

We don't raise show cattle.

What a tremendous gift we have been able to give our kids. Teaching them work ethic, goal setting, perseverance, friendships, marketing, competitive spirit, hard knocks and the love of cattle. Tools we hope makes them better people.

It has been a true joy to watch our kids evolve from their first 4H animal to being competitive at both the national junior and breed level.

Our kids have all have a passion for agriculture and the livestock industry. They intend to pursue a life or career in the industry in various aspects. The passion is in their veins and they will continue to advocate and tell our industry story.

We simply show the cattle we raise!

MERIT CATTLE CO.

TERMS & CONDITIONS

Terms: The terms of the sale are cash or cheque payable at par at the sale unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. All settlements must be made with the clerks of the sale before any cattle will be released. The auctioneer shall have the right to refuse bids from anyone who has a previous record of default in payment or who has not made proper credit clearance to the sale with the owner or Sales Manager.

Bidding: Each animal is to be sold to the highest bidder. No by-bidding will be permitted. A reasonable price base may be set.

Disputes: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters is final.

Purchaser's Risk: Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue. Buyers are cautioned to pay close attention to announcements.

Certificate of registry: Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyers for each animal after settlement has been made.

Breeders Guarantee, bulls: Should any bull (14) fourteen months of age or over, fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within (6) six months following date of purchase or (6) six months after the bull has reached (14) fourteen months of age. The seller will then have the right and privilege of (6) six months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

In no event shall the seller be responsible for more than the purchase price. The seller is not responsible for damage caused by foreign bodies after the animal has been sold nor for sickness not apparent at sale time.

Exception guarantee: In cases where the animal was subjected to hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

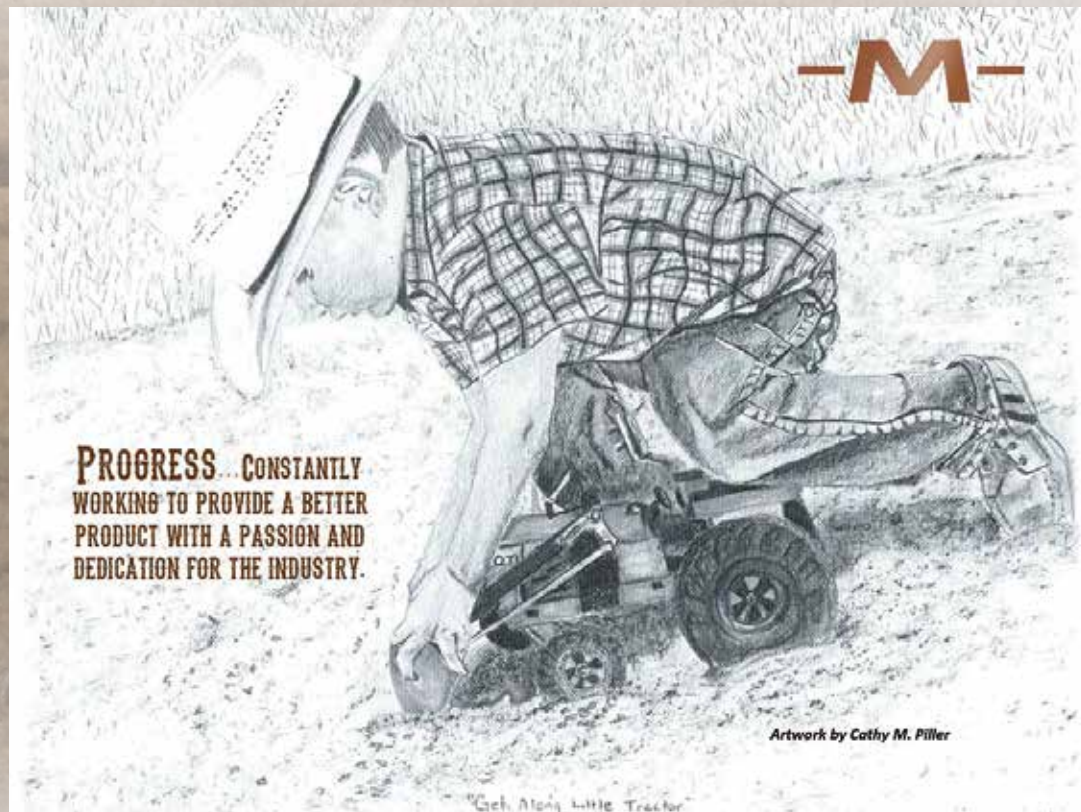

Settlement: Transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, care, A.I., signing fees, interest, veterinary charges, etc., will be charged by either party when making settlement. If the seller is successful in proving the animal in question to be a breeder, the said animal will be reclaimed by the purchaser at his expense. Should the seller fail to prove the animal a breeder, then the buyer is guaranteed a satisfactory replacement F.O.B. ranch or location of origin or a refund of the actual price. Should a dispute arise over the quality of the replacement animal, the Sale Management will appoint a mediator.

Accidents: Although every precaution will be taken to protect the safety and comfort of buyers, neither the sales manager, auctioneer, or sellers assume any responsibility in this matter and disclaim any liability, legal or otherwise, in the event of accident or loss of property.

Mail or telephone bids: Bidders unable to attend the sale may phone or mail their bids and instructions to the sale manager, auctioneer, or special representatives. Bids must be received in sufficient time prior to the sale.

Rights and obligations: The above terms and conditions of the sale shall continue a contract between the buyer and the seller and be equally binding to both.

Resale of animals following purchase in this sale shall constitute a separate transaction which is not covered by the terms and conditions of this sale.
